

# Invitation to IEEE P3333.3

Chairman : Dongil Dillon Seo (dillon@volercreative)

# Introducing IEEE P3333.3

# What are IEEE & IEEE-SA?

IEEE – The World’s Largest Organization of Electrical and Electronics Engineers

IEEE-SA – The leading consensus building organization

- IEEE Wired & Wireless Network Standards are very well recognized throughout the world.
- The influence of IEEE is just as influential as ISO or ITU, the standard organizations under the UN.
- IEEE sets the standards that are essential for the industry.
- IEEE is well known to reflect the opinions from the participants fairly; hence, it is recognized as one of the top authorities for global standards

# What is IEEE P3333.3?

Working Group designed to study the negative side effects of 3D content people experience when using a VR HMD(Head Mounted Display)

Title

Head Mounted Display (HMD) Based 3D Content Motion Sickness Reducing Technology

Chair

Dongil Dillon Seo (CEO, VoleR Creative / Formerly Oculus Co-founder)

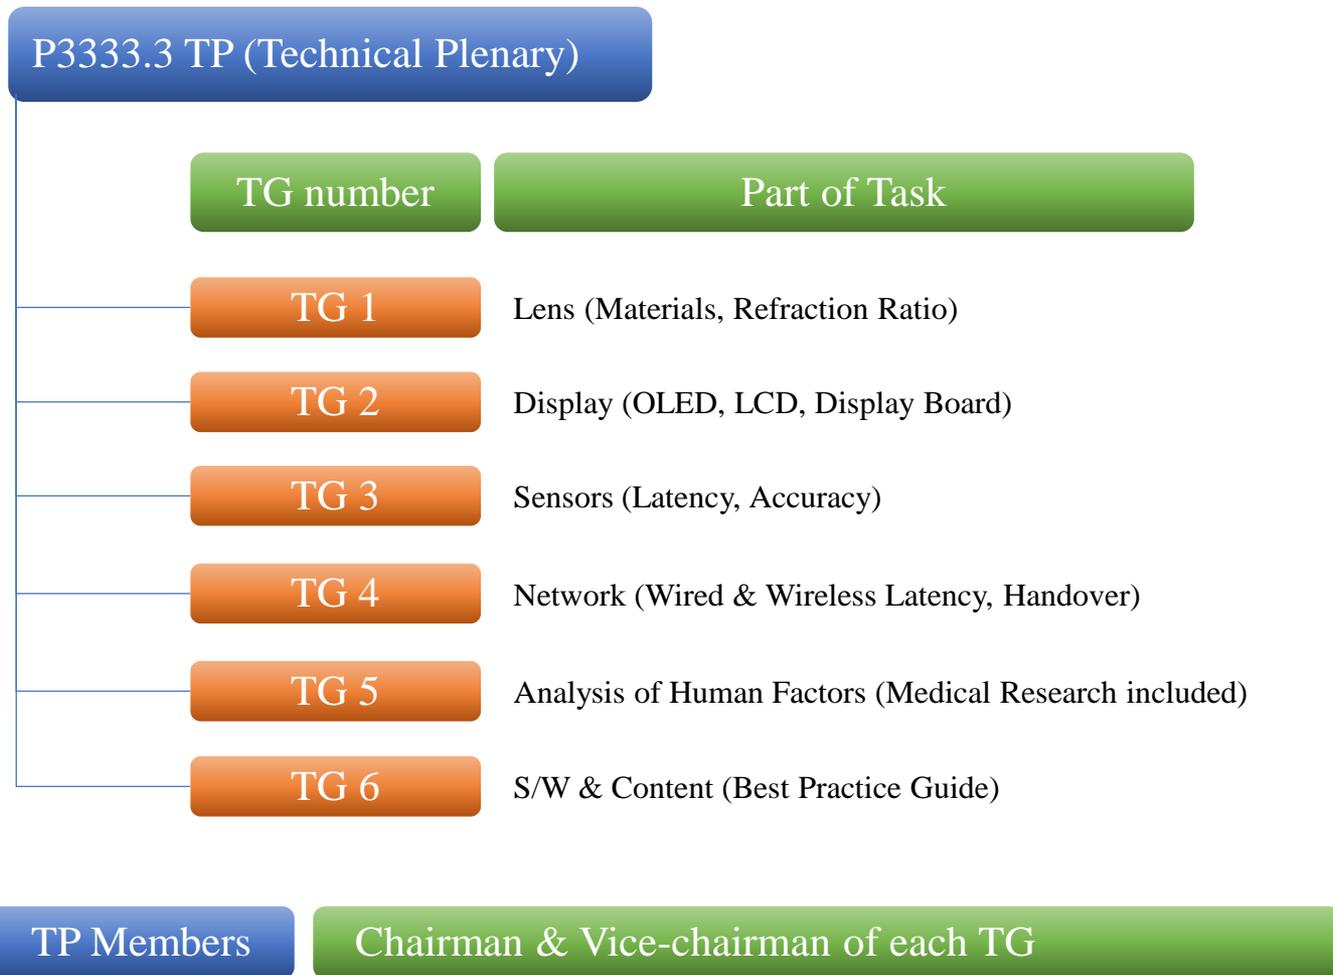

Scope

This group is to establish standards for visual response to:

- the focal distortion
- the lens materials
- the lens refraction ratio; and
- the frame rate (FPS)

by studying the motion sickness caused by the visual mechanism based of VR HMD. This includes not only the hardware and the software involved in the development of HMD but it also includes the study of human factors and network infrastructure supporting the industry.

# Structure of IEEE P3333.3

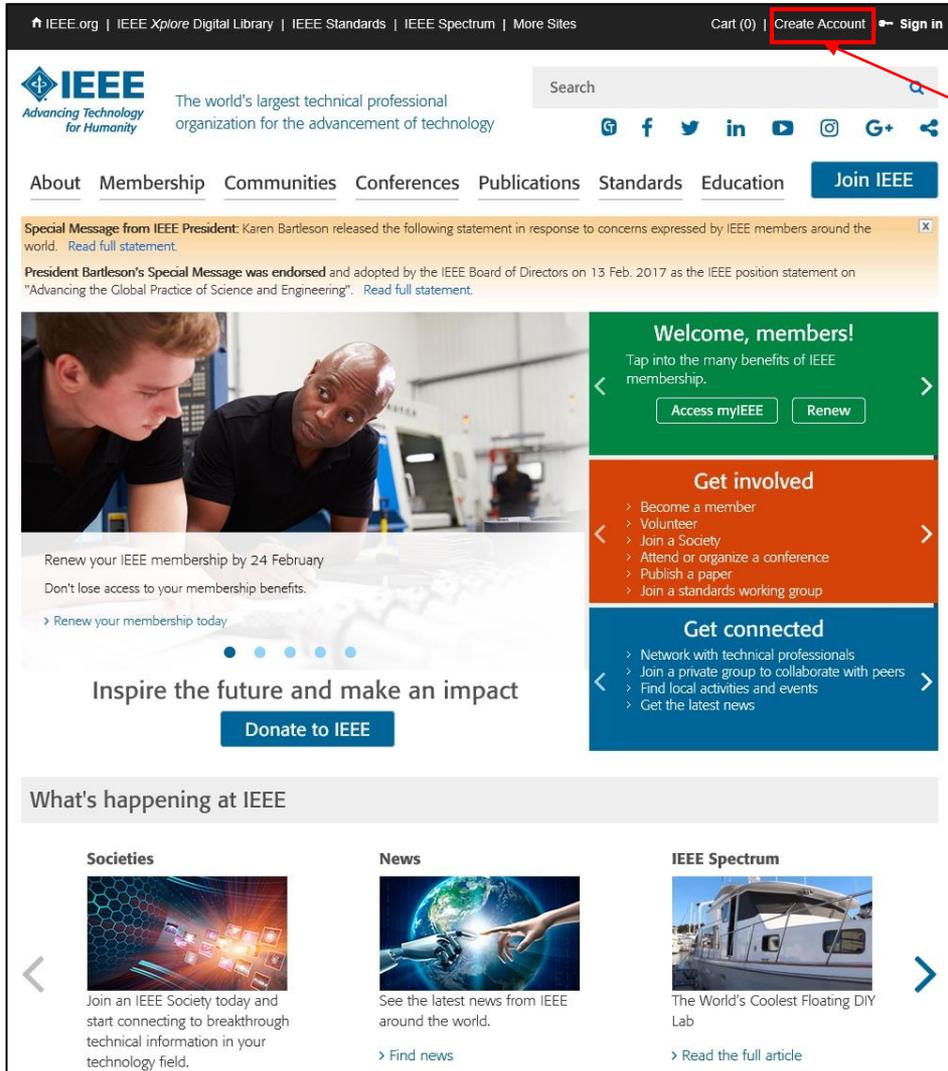

# Why should you become a member?

- 1 Technical information exchange with some of the top engineers from the industry
- 2 Royalty revenue from the standards set by one's own work
- 3 Cross-licensing opportunities among the members from different TGs
- 4 Market growth through the stabilization of service
- 5 Establishment of Ecosystem through the stable growth of industry
- 6 Synergy expected from the collaboration between the TGs using their own work
- 7 Opportunities to broaden one's professional network through various meetings

IEEE P3333.3 grants a voting right to an individual participating in this group, but the individual will be representing his/her own affiliates. More participants from different affiliates will create a greater synergy among the TGs.

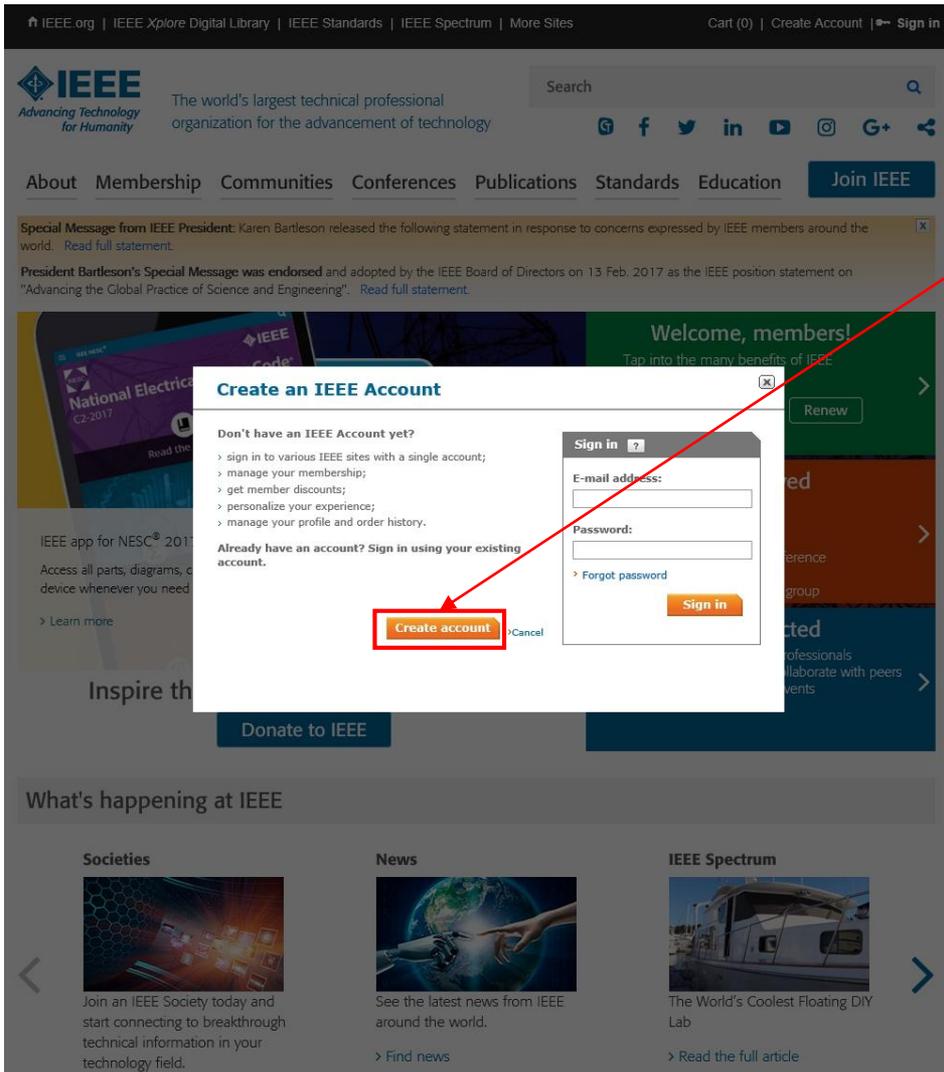

# How to Join IEEE & IEEE-SA

The screenshot shows the IEEE website homepage. At the top, the navigation bar includes links for IEEE.org, IEEE Xplore Digital Library, IEEE Standards, IEEE Spectrum, and More Sites. On the right, there are links for Cart (0), **Create Account** (highlighted with a red box and an arrow), and Sign in. The main header features the IEEE logo and tagline "Advancing Technology for Humanity", along with a search bar and social media icons. Below the header is a navigation menu with links for About, Membership, Communities, Conferences, Publications, Standards, Education, and a prominent "Join IEEE" button. A news banner for a "Special Message from IEEE President" is displayed. The main content area is divided into several sections: a "Welcome, members!" section with "Access myIEEE" and "Renew" buttons; a "Get involved" section with links to become a member, volunteer, join a society, attend conferences, publish papers, and join standards working groups; a "Get connected" section with links to network with professionals, join private groups, find local activities, and get the latest news; and a "What's happening at IEEE" section featuring three featured articles: "Societies", "News", and "IEEE Spectrum".

## Become an IEEE Member Today

When you join IEEE, you join a community of over 425,000 technology and engineering professionals united by a common desire to continuously learn, interact, collaborate, and innovate. IEEE membership provides you with the resources and opportunities you need to keep on top of changes in technology; get involved in standards development; network with other professionals in your local area or within a specific technical interest; mentor the next generation of engineers and technologists, and so much more. There is no better time to discover all that IEEE membership has to offer.

On this page:

- benefits
- Qualifications and dues
- Membership and testimonial videos
- Additional resources
- Current members

**Join as a professional** **Join as a student**

### Benefits

#### Resources

**Gain Expertise and Open Career Doors**  
IEEE houses an unrivaled network of professionals, experts, and advisors that can help shape your career, offer resources to acquire new skills, advance your professional development, and provide numerous opportunities for involvement, recognition, and reward.

**Stay Current and Get Ahead**  
Membership grants you access to the largest library of electrical

#### Discounts

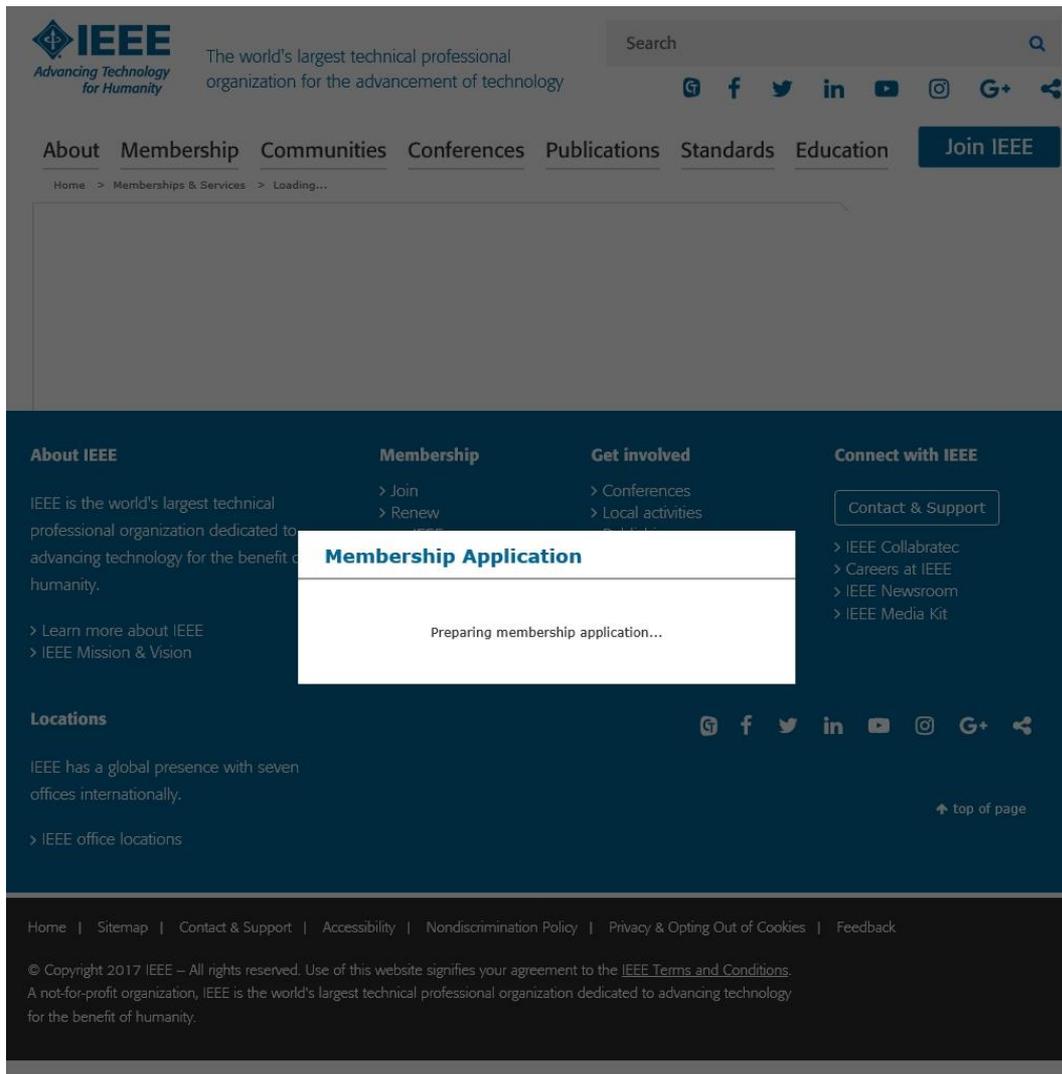

IEEE members can take advantage of exclusive and discounted pricing on insurance and a variety of products and services (where available) that can add up to substantial savings.

[View all member discounts](#)

#### Opportunities

If you are working for a company, choose “Join as a professional”

If you are a student, choose “Join as a student”

The screenshot shows the IEEE website header with the logo and tagline "The world's largest technical professional organization for the advancement of technology". A search bar and social media icons are present. The main navigation menu includes "About", "Membership", "Communities", "Conferences", "Publications", "Standards", "Education", and a "Join IEEE" button. The breadcrumb trail reads "Home > Memberships & Services > Loading...".

The main content area is partially obscured by a dark blue footer. A white modal window titled "Membership Application" is centered on the screen, displaying the text "Preparing membership application...".

The footer contains sections for "About IEEE", "Membership" (with links for "Join" and "Renew"), "Get involved" (with links for "Conferences" and "Local activities"), and "Connect with IEEE" (with a "Contact & Support" button and links for "Collabratec", "Careers at IEEE", "Newsroom", and "Media Kit"). There is also a "Locations" section and a "top of page" link.

The footer also includes a navigation bar with links for "Home", "Sitemap", "Contact & Support", "Accessibility", "Nondiscrimination Policy", "Privacy & Opting Out of Cookies", and "Feedback". Copyright information for 2017 IEEE is provided at the bottom.

**IEEE Membership** [Add selected item\(s\)](#)

IEEE is the leading professional association for the advancement of technology. With more than 400,000 members in more than 160 countries, IEEE is the world's largest technical professional society. Through its global membership, IEEE is a leading authority on areas ranging from aerospace systems, computers and telecommunications to biomedical engineering, electric power, consumer electronics, and many other technical areas. Members rely on IEEE as a source of technical and professional information, resources and services. To foster an interest in the engineering profession, IEEE also serves student members in colleges and universities around the world, advocates for the profession and helps to introduce technology careers to young people worldwide.

**IEEE Membership Prices**

<b>Professional - Traditional</b>	<b>US\$154.00</b>
Student Member	US\$27.00

The highlighted price is estimated based on the selected membership and may be adjusted when added to the cart.

**Membership Includes:**

Includes subscription to *IEEE Spectrum*, *The Institute*, electronic access to *IEEE Potentials* via *IEEE Xplore*, access to the IEEE Job Site, memberNet, exclusive IEEE.tv programming, GoogleApps@IEEE, and many more benefits.

Projects Balloting Entity

**myProject™ >> Manage Activity Profile**

In the list of Activity Areas below (initially a list of Societies) clicking on (+) will expand the selection into its constituent components as follows from which you may select the Technical Activity Areas in which you are interested from either a general interest standpoint or specific technical project in which you wish to be involved and presumably ballot.

Society -- What you are Enrolling in --

- Sponsor Enrollment as an interested party in general work of committee or indicating an interest in being notified on Ballot Invitations for all projects in a Sponsor.
- Working Group Enrollment as interested party in the detailed technical work of the committee and as a member in the specific Project's Ballot.
- Project Enrollment as interested party in the detailed technical work of the committee and as a member in the specific Project's Ballot.

*Please note that these selections will simply place you on the list of IEEE-SA recognized interested parties for that general or specific technical area. Whether or not you have become a member or voting member of the area depends on the membership criteria of that area. Please contact the respective Chair for further information or to request membership.*

Once you fill in for your Affiliation(s), the enrollment is finished

The background is a solid blue color with several white, curved, overlapping lines that create a sense of motion and depth. The lines are most prominent in the upper left and lower right areas, curving towards the center.

**Thank You**
