

Proposed Rules Changes to Address Industry Connections Activities

John D'Ambrosia, Independent

David Law, HP

Nov 13, 2015

Proposed Changes

- Chair's Guidelines
- 802 LMSC Operations Manual
- 802 LMSC WG P&P

Chair's Guidelines

- Add entry to table in 2.1 IEEE 802 Approvals

Industry Connections Activity

<u>WG -</u>	<u>yes</u>
<u>WG Chair -</u>	<u>yes</u>
<u>EC -</u>	<u>yes</u>
<u>Sponsor Chair -</u>	<u>leave blank</u>

802 LMSC Operations Manual

- Add to 2. Common abbreviations

IC Industry Connections Activity

- Add the following

Section 4.4 – Industry Connections Activity Operations

The Industry Connections Activity shall operate as a subgroup of the Working Group that the Sponsor delegates the activity to.

802 LMSC Operations Manual

Modify 7.1.1 Actions Requiring Approval by a Majority Vote

This clause shall not be modified except to include additional voting actions. Items in 7.1.1 may be moved to 7.1.2 if desired.

The following actions require approval by a majority vote

- a) Approval of minutes.
- b) To request IEEE 802 Executive Committee approval of creation of a study group
- c) To request the approval of an Industry Connections activity.

IEEE 802 LMSC WG P&P

Modify **9.2 Actions requiring approval by a majority**

The following actions include approval by a majority vote

- a) To request EC approval of creation of a study group or industry connections activity

Modify **9.3 Actions requiring approval by three-quarters vote**

- h) Formation of a subgroup (with the exception of a study group or industry connections activity) including its procedures, scope, and duties
