3.0 Officers

• A person cannot be both Chair and Treasurer (as opposed to Chair and Secretary)

• All officers and “any person designated to manage the Sponsor ballot)” shall “be IEEE members of any grade, except Student grade, or IEEE Society affiliates, and also be members of IEEE-SA.”

• Add j) “The Secretary shall maintain the attendance record [and responses to letter ballots] for all members on the roster and display or announce the status of voting and non-voting members at the start of each meeting.”

4.0 Membership

4.1 Based on the definitions in the new baseline, “session attendance” is a new term for “participation credit”, which has a new definition.

4.2: Attendance at Meetings
  – New definitions of attendance, “credited attendance” and “session attendance”
4.3.1 Retaining Membership

• 4.3.1: By attendance
  – The Chair may “specially maintain” a member’s voting status that would otherwise be lost by these attendance rules. Reasons for such an action can include consideration of personal hardship, medical emergency, or outstanding contributions.
  – The Chair (or delegate) shall notify, by email, a voting member who loses his or her voting membership and indicate the cause for loss of voting membership. The Secretary will maintain the attendance record and responses to letter ballots for all members on the roster and display or announce the status of voting and non-voting members at the start of each meeting.
4.3.2: By ballot

• A voting member’s obligation to respond to Working Group letter ballots (in which they are eligible to vote) is in addition to their obligation to attend Working Group meetings.

• A voting member that fails to return 2 of the last 3 Working Group letter ballots, excepting recirculation letter ballots, in which they are eligible to vote becomes a non-voting member. Their existing attendances do not count towards regaining voting membership.

• If a Working Group letter ballot closes within 14 days of a meeting, any changes to voting membership resulting from the ballot shall be delayed until after the meeting.

• The chair may “specially maintain” a member’s voting status that would otherwise be lost by this WG letter ballot response rule. Reasons for such an action can include consideration of personal hardship, medical emergency, or outstanding contributions.
4.3.3: Review of membership

• The procedures for obtaining and retaining membership are specified in terms of meeting attendances, and Working Group letter ballots.

• The Chair and Secretary should apply these procedures in a timely fashion, evaluating membership status in time for the next meeting or Working Group letter ballot.

• The Chair shall, at least annually, review the status of any members that are specially maintained to validate that the reasons are still applicable.
4.5 Membership Roster

• Small editorial changes

Sponsor subgroups, other than Working Groups and their subgroups, operate under these Sponsor P&P.
  – The Sponsor shall outline all expectations with respect to how the subgroup shall function, including scope of work, deliverables, membership, and voting in the subgroup. The charge to the subgroup shall clearly state which activities are appropriate. The scope and duties delegated to the subgroup shall be approved at the time the subgroup is formed, and subsequent changes in scope or duties shall also require approval by a majority vote of the Sponsor. The scope, duties, and membership of all subgroups shall be reviewed annually by the Sponsor.
