Orientation, 2022-03-04

- 4 participants
 - excluding presenter and 802 Chair
- Participants were not interested in orientation
 - Some preferred to read it off-line
- Issues unrelated to slides were raised
 - Issues of commonality of some topics across WGs
 - Particularly on lightwave and IR communication
 - Discussion of how to coordinate engagement across WGs
 - One participant noted that IETF has introduced “Technology Deep Dives” to “provide insight into technologies which span multiple areas and to provide a focused exploration of a technology”:
