

IEEE Spain Section

Antonio Robles-Gómez, Vice-chair IEEE Spain Section; UNED
Edgardo D. Castronuovo, Chair IEEE Spain Section; UC3M

IEEE Spain Section

<https://ieeespain.org/>
ieeespain@ieee.org

- Established in 1968, 55+ years
- 3500+ members spread across the country
- 30 Chapters of Scientific Societies (independent or grouped)
- 3 affinity groups (YP, LM, WIE)
- 3 local groups (blockchain, cybersecurity, artificial intelligence)
- 15 active Student Branches (SBs)

IEEE Spain Section

<https://ieeespain.org/>
ieeespain@ieee.org

- **Chair:** Edgardo D. Castronuovo
- **Vice-Chair and Elect-Chair:** Antonio Robles Gómez
- **Past-Chair:** Enrique Romero Cadaval
- **Secretary:** Fernando Muñoz Manrique
- **Treasurer:** Juan Jesús Rodríguez Yubero

Between 25 and 30 volunteers from all over the country

Advisers	Magdalena Salazar Palma	Universidad Carlos III de Madrid
	Antonio Luque	Universidad de Sevilla
Communication	Roberto Álvaro Hermana	Red Eléctrica, Madrid
	Pedro Martín Holgado	Universidad de Sevilla
Institutional relations	Paula Lamo Anuarbe	Universidad de La Rioja
Agreements	Enrique Romero Cadaval	Universidad de Extremadura
Chapters Representation	Aurora Gil de Castro	Universidad de Córdoba
Membership	Sandra Sendra Compte	Universidad Politécnica de Valencia
Education	Jesús Fraile-Ardanuy	Universidad Politécnica de Madrid
Conferences	Jaime Lloret Mauri	Universidad Politécnica de Valencia
Industry relations	José Miguel García Martín	CSIC
Technical activities and standards	Rafael Capilla Sevilla	Universidad Rey Juan Carlos I
Professional activities	Manuel Ballesteros Carballo	Siemens-Gamesa
Awards and nominations	Andrea González Montoro	CSIC, Universidad Politécnica de Valencia
History	José Antonio Delgado Penín	Universidad Politécnica de Cataluña
	Antonio Pérez Yuste	Universidad Politécnica de Madrid
Coordinator vTools	German Carro Fernández	UNED
WIE	Belén Bermejo	Universitat de les Illes Balears
SIGHT	Juan Antonio Gómez Pulido	Universidad Politécnica de Cáceres
YP	Javier Andión	Universidad Politécnica de Madrid
Life Members	Manuel Castro Gil	UNED
Visits	Etienne Maricq	Schlumberger, BOC Edwards y Checkpoint Systems
Consultants	Miguel Ferrando-Rocher	Universidad Politécnica de Valencia
Blockchain (local group)	Rafael Pastor Vargas	UNED
Cybersecurity (local group)	Manuel Ballesteros Carballo	Siemens-Gamesa
Artificial Intelligence (local group)	Javier Conde Díaz	Universidad Politécnica de Madrid

- IEEE representation in Spain (agreements), in the Region and worldwide
- Coordination of the chapters: synergies, treasury, support, elections...
- Promotion of the Branches of Students, Young Professionals (YPs), Life Members (LMs), and Women in Engineering (WiE)

Browse Most Recent Opportunities to Participate

Join other innovators who are helping define future technologies. Search the complete list below for the right opportunity for you.

The list is searchable by type of participation and relevant technology area.

Product/Title	Short Description	Type	Technology	Participate
System Cybersecurity	This standard describes cybersecurity requirements for space systems including modules for the ground system, space vehicle, link segment, and the integration layer. Learn more			Participate
82 P2301 - Guide for Cloud Portability and Interoperability Profiles (CPIP)	This guide advises cloud computing ecosystem participants of standards-based choices in areas like application interfaces, portability interfaces, management interfaces, interoperability interfaces, file formats. Read more	Working Group - Individual	Other	Participate
83 P3344 - Standard for Scenario Description Language for Autonomous Driving	This standard specifies a Scenario Description Language (SDL) for constructing and reconstructing autonomous driving (AD) scenarios. Read more	Working Group - Individual	Automotive & Mobility	Participate
84 P3322 - Guide for Comfort	This standard provides general comfort requirements	Working Group - Individual	Manufacturing	

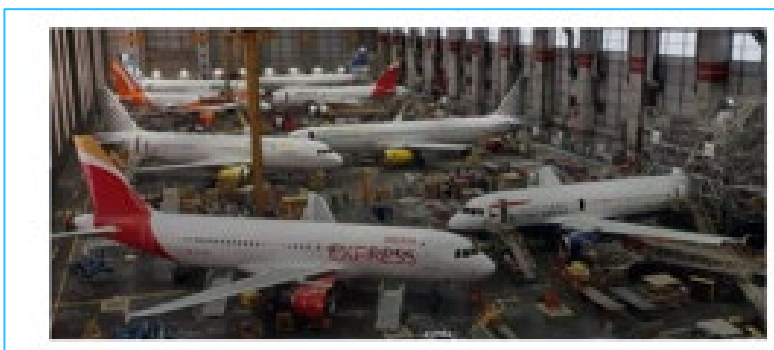

Activities

<https://ieeespain.org/>
ieeespain@ieee.org

- **Annual award** to the company that has contributed the most to the advancement of technology in Spain
- **Recognitions** to members who celebrate 10, 20, 30, 40, 50 and 60 years in IEEE

- **Visits** to companies:

Societies

<https://ieeespain.org/>
ieeespain@ieee.org

- 30 societies and 3 local groups, including:

Student Branches (SBs)
