6) Followup Actions
   ● The comment resolutions in (4) and (5) were agreed.
   ● It was agreed to forward the comment resolutions to the Working Group for approval in the 802.16 WG Opening Plenary of 16 July, requesting that a recirculation be initiated at that time.
   ● It was noted that the IEEE 802 Conditional Approval to submit to RevCom will expire at the start of the July Plenary, so additional Conditional Approval will be required during the session.
   ● It was noted that the next RevCom submittal deadline of 20 July can be met as long as the next recirculation has begun by that date.
   ● It was agreed that the M2M Task Group need not schedule a meeting during Session #80.

7) Closing
   ● The meeting was adjourned at 00:31 UTC
