

Mentor Navigation

Log into Mentor at <https://mentor.ieee.org> with your IEEE Web Account username and password.

Once you log in you will have navigation that corresponds to your access rights. For example:

- Administrators will have EDIT and DELETE capabilities
- Authorized Group MEMBERS will have READ/WRITE capabilities
- Others will have READ only access or access to only PUBLIC areas

Mentor Navigation

Before you log in you will see the navigation bar with these options

The screenshot shows the top navigation bar of the IEEE Mentor website. On the left, the text 'Home | Wiki' is circled in red. On the right, the text 'Help | Login' is also circled in red. Two red arrows originate from the text 'Before you log in you will see the navigation bar with these options' and point to these two circled areas. Below the navigation bar, the IEEE logo and 'mentor' text are visible on the left, and a search box and the date '22-Feb-2011 06:48:23 ET' are on the right. The main content area contains a welcome message and a note with a link to a comprehensive listing of Smart Grid Working Groups.

Mentor is currently providing services to the following groups. If your group is interested in using this tool, please contact your IEEE-SA Staff Liaison for more information.

NOTE: A comprehensive listing of all Smart Grid Working Groups who are using Mentor can be found [here](#)

Mentor Navigation

Once you log in you will see navigation that is specific to your access rights.

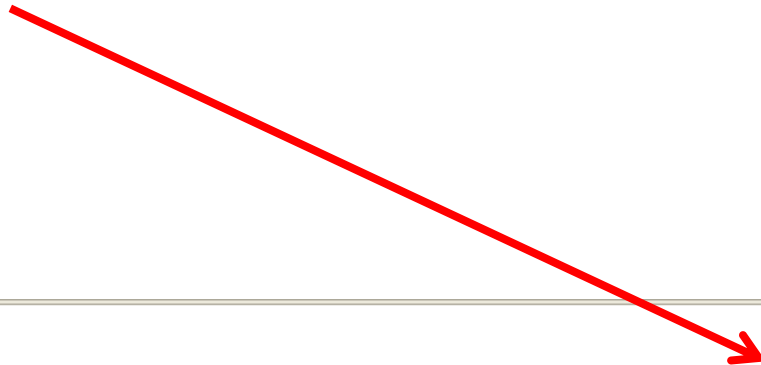

Clicking on the "V" will drop down additional options.

The screenshot shows the top navigation bar of the IEEE Mentor website. A red circle highlights the navigation links: Home | Admin ▾ | Wiki | Features | more ▾. A red arrow points from the text 'Clicking on the "V" will drop down additional options.' to the 'more ▾' link. Another red circle highlights the user profile area: mentor ▾ | Help | Logout. A second red arrow points from the text 'Once you log in you will see navigation that is specific to your access rights.' to the 'mentor ▾' link. Below the navigation bar, the IEEE logo and 'mentor' text are visible on the left, and a search box, date '22-Feb-2011 06:53:49 ET', and links 'Edit this page | Add new page | Page history' are on the right.

Mentor Navigation

Clicking on the "V" on the right side of the screen will drop down additional Mentor groups that you have access to.

IEEE P1901 Working Group
edited 18-Jun-2010 by c.boyce@ieee.org

Welcome to the 1901 Working Group (WG) document repository. The purpose of this site is to facilitate development of standards by serving as the document repository for the WG and related subgroups.

Mentor Navigation

Administrators will have additional features :

- Admin allows for new group set up
- Wiki provides the ability to add/modify pages
- Applicants is used to view those individuals who would like access to the private areas of your page.
